At Lura Sharp Elementary School, we focus on creating a healthy and positive school atmosphere. Our small class sizes allow us to hone in on where students are doing well, supporting students in areas of need, and challenge them to reach their highest potential. We strive to broaden students' choices and opportunities, and to make learning fun. Each day, Lura Sharp students are reminded that they are respectful, responsible, safe, a problem-solver, and that they matter.

At Pulaski Middle School, our focus is student-centered. We work to foster growth in academics, character and social-emotional development. Students are provided opportunities to pursue their own interests in academics and extracurricular activities, to begin to develop their sense of self. The skills developed in our middle school programs lay the foundation for success in high school.
