Old Business:

- Bob Johnson Chevrolet- Bob Johnson gave us a check and we has a photo taken with them, will post the picture soon. We will be eligible for this every year. They are willing to donate more as well, like shirts for the Color Run.
- Raffle Calendar- calendar to be copied at the school, and in color. We have most of the calendar done, we needed two more days. Tanglez and Designs of Elegance never got back to us. Wellers Hardwood will donate a gas gift card, and add another \$50 gift card for Clucked Out Farm. Sending home Tuesday/Wednesday, after sorting.
- Square1 Art- Art is due in the middle of February, and art is all done by Mrs. Jennings, waiting on Macklen's groups to be done. We will get stuff back in March/April for the Square 1 Art sale.
- Paint and Sip- Mrs. Jennings will run this at the Riverhouse. Kate will confirm with Frank for a Thursday evening at the end of March. Mrs. Jennings will give us options to vote on, and once we pick one she will then create the flier to be sent home with students like last year. All we need to do is purchase the supplies that she will need.
- Winter Craft Night- Ashlee is coaching basketball and is waiting until spring for another craft night. She has emailed ideas to us, and will get a better idea on costs with donations from CITI.

New Business:

- Spring Minis- Wes has no news as our photographer has had Covid hit her house for a month. Looking for ideas on places to have the pictures. North Street Nursery allowed Jovial Photography to come in, but we are unsure if they will allow others to come in to do photos there. Bridge Street Markers for possible mini sessions.
- Color Run- Date identified for June 5th, a Sunday at the Haldane Center. We will be looking for volunteers for the upcoming event soon.
- Staff Appreciation Day- Rachel Lamos' husband has a Mobile Latte bar available for the teachers and staff to have a nice fresh coffee. The cost would be \$1.50 per person. They would just need to know how many people we would have, and discuss it more before we have staff appreciation day. It falls on 5/2-5/6. It goes off how many people (approx 100), there are different flavors, creamers, etc. They would need a place to set up, possibly the main lobby. The school would appreciate it! We could still have some breakfast stuff available for teachers.
