

Dear Class of 2023 and Families,

As we enter the fourth and final marking period for seniors, a lot of important and exciting events will be happening! Hopefully you'll find this schedule helpful. It is a rundown of all of the significant events that you will want to keep track of until the end of the year. Please feel free to reach out with any questions. We are very excited to celebrate with you all!

Regards,

Nina Mattison
