

Pulaski Sports Booster Club, Inc.

To Coaches:

The PACS Sports Booster Club will support you and your team in the following ways:

1. You may submit receipts from the end of your season party and can be reimbursed \$5 per player. A google link will be on the school's website or you can email us for it.
2. For Senior Night we will be purchasing banners of each senior as a gift. We have established our vendor and these will be consistent across all sports.
3. Coaches may submit a written request for additional items needed during a season (e.g., practice jerseys, equipment, other general necessities). There will be a process to determine if the school can provide it and then we may supplement the costs. A google link will be on the school's website or you can email us for it.
4. We will be a liaison to share information to parents and community members for you on our Facebook page. Please email or message us with those requests.
5. Please encourage your players to volunteer in the snack shack when they are available. We have a sign up available online that can be found on Facebook or we can send.

Thank you,

PACS Sports Booster Club Board Members

Monica Yerdon, President

Nate Balcom, Vice President

Melissa Pello, Treasurer

Jessica Basta, Secretary

Chrissy Mooney, Fundraising Coordinator
